**MEMORANDUM OF ORAL DECISION DELIVERED BY GERALD S. SWINKIN ON
MAY 11, 2017 AND ORDER OF THE BOARD**

[1] This Pre-hearing Conference on May 11, 2017 was scheduled at the prior Pre-hearing Conference held in the City of Vaughan ("City") on January 23, 2017.

[2] As on the previous occasion, the purpose of the Pre-hearing Conference was to receive consent evidence with respect to settled matters and to provide the Board with an update on outstanding appeals and their likelihood of settlement or the need to schedule hearing time to dispose of them.

[3] Prior to the hearing, the City served and filed a Motion Record seeking:

- 1) an Order of the Board approving various policies and schedules of the Vaughan Metropolitan Centre Secondary Plan (the "VMCSP") that were no longer subject to appeal on a Secondary Plan-wide basis (save and except to the extent that they remain under appeal on an area or site-specific basis on terms set out in the Order to issue);
- 2) an Order of the Board modifying various policies and schedules and, as modified, approving same (save and except to the extent that they remain under appeal on an area or site-specific basis on terms set out in the Order to issue); and
- 3) an Order of the Board in respect of policies and schedules of the VMCSP previously approved by the Board on a plan-wide basis (except for lands subject to certain appeals) regarding lands where the appeals have since been resolved.

[4] In support of the Motion was the Affidavit of David Marcucci, Senior Planner in the Policy Planning and Environmental Sustainability Department of the City. In his affidavit, Mr. Marcucci detailed the process which has been followed in settling the specific appeals dealt with in the Motion. He identified several of the objections and provided details as to modifications now being supported and advanced by the City to address these objections.

[5] The specific provisions where modifications were undertaken were regarding height and density transfer policies in Section 8.1.24 (the final text of which was submitted after the Pre-hearing session in order to permit the City to obtain endorsement of it by City Council as it was the subject of late drafting), Area Specific Retail policy in Section 8.6.10, Parking policies in Section 8..8, Retail and Service Commercial policies in Sections 8.4.3 and 8.5.3, modifications to Schedule "C" – Street Network and associated policies in Sections 4.3.10 and 8.1.14, modifications to Schedule "F" – Land Use Precincts, modifications to Schedule "H" – Areas for Retail, Service Commercial or Public Uses, and modifications to Schedule "I" – Height and Density Parameters.

[6] With respect to the proposed modifications to the VMCSP and the policies and Schedules resulting from the resolution of specified appeals, Mr. Marcucci has opined that the policy and schedule outcome is: 1) consistent with the matters of Provincial interest as identified in Section 2 of the *Planning Act*; 2) consistent with the relevant policies of the Provincial Policy Statement; 3) conforms with the Growth Plan for the Greater Golden Horseshoe; and 4) conforms with the Regional Municipality of York Official Plan.

[7] Counsel present were canvassed by the Board and no objection was taken to the request for partial approval sought by the City, nor had any Responses to the Motion been filed indicating opposition. Accordingly, the Board will grant the requests in the City's Motion. The Board's Order in this regard is attached as Attachment 1.

[8] The Board was advised by Mr. Engell that the southeast quadrant of the planning area is affected by the Black Creek Environmental Assessment (“EA”) and that until this EA process is complete, there are a number of appeals whose progress is arrested. There was a suggestion that the EA process may be complete by the fall of this year.

[9] On this premise, and that the City would then have had the opportunity to resolve some or all of the remaining appeals, the City requested a further Pre-hearing Conference date to deal with that eventuality and to provide a status report to the Board on this matter.

[10] The Board has set **Friday, January 12, 2018 for one day, commencing at 10 a.m., for this Pre-hearing Conference at:**

**City of Vaughan
OMB Hearing Room
2141 Major Mackenzie Drive
Vaughan, ON L6A 1T1**

[11] No further Notice will be given.

[12] This Member is seized for case management purposes.

[13] So Orders the Board.

“Gerald S. Swinkin”

PL111184

ONTARIO MUNICIPAL BOARD

IN THE MATTER OF subsection 17(40) of the *Planning Act*, R.S.O. 1990, c. P.13, as amended

Appellant: 1042710 Ontario Limited
Appellant: 1191621 Ontario Inc.
Appellant: 1529749 Ontario Inc.
Appellant: 1541677 Ontario Inc. and others
Subject: Failure to announce a decision respecting the proposed new Official Plan of the Regional Municipality for York for the City of Vaughan
Municipality: City of Vaughan
OMB Case No.: PL111184
OMB File No.: PL111184

THESE MATTERS having come on for a public hearing,

THE BOARD ORDERS that in accordance with the provisions of section 17(50) of the *Planning Act*, R.S.O. 1990, c. P.13, as amended, (the “**Act**”) in respect of the Vaughan Metropolitan Centre Secondary Plan (the “**VMC SP**”), forming part of Volume 2 of the City of Vaughan Official Plan (2010) (the “**Plan**”), as adopted by the City of Vaughan (the “**City**”) on September 7, 2010 and modified on December 11, 2012 and October 7, 2015 and as modified by the Ontario Municipal Board (the “**Board**”) in its Orders issued December 3, 2015, December 19, 2016 and February 16, 2017:

- i) the policies and schedules of the VMC SP are hereby modified as set out in **Attachment “A”** attached to and forming part of this Order and as modified are hereby approved, save and except to the extent that they remain under appeal on a site-specific or area-specific basis; and
- ii) the policies and schedules of the VMC SP as set out in **Attachment “B”** attached to and forming part of this Order are hereby approved, save and except to the extent that they remain under appeal on a site-specific or area-specific basis; and
- iii) the policies and schedules of the VMC SP, approved by the Board’s Orders of December 3, 2015, December 16, 2016 and February 16, 2017 are hereby approved in respect of the lands subject to the following appeals:
 - (a) 1042710 Ontario Ltd. (“Royal Centre”) (Appellant No. 1); and
 - (b) Callaway REIT (Sevenbridge) Inc. / First Vaughan Investments Inc., Ruland Properties Inc., & Skyrange Investments Inc. (“SmartCentre”) (Appellants 72 & 73)

AND THE BOARD ORDERS that the balance of the Royal Centre appeal is hereby dismissed.

AND THE BOARD ORDERS that the balance of the SmartCentre appeals, save and except for parkland dedication policies 6.1.2, 6.1.3 and 6.1.4 and Schedule D of the VMC SP, are hereby dismissed.

AND THE BOARD ORDERS that this partial approval of the Plan shall be strictly without prejudice to, and shall not have the effect of limiting, (a) the rights of a party to seek to modify, delete or add to the unapproved policies, schedule, maps, figures definitions, tables and associated text in the Plan, or (b) the jurisdiction of the Board to consider and approve modifications, deletions or additions to the unapproved policies, schedules, maps, figures, definitions, tables and associated text in the Plan on a general, area-specific or site-specific basis, as the case may be, provided that the parties shall be bound by the commitments made by them to scope their issues to a site-specific or area-specific basis.

AND THE BOARD FURTHER ORDERS that the scoping of appeals to a specific site or area is without prejudice to the positions taken by the parties to those appeals so that if those appeals proceed to a subsequent hearing or motion, either on their own or as may be consolidated with other site-specific appeals, the City will not take the position that the Board ought not to approve site-specific or area-specific modifications to the affected policies, schedules, maps, figures, definitions, tables and associated text on the mere basis that they deviate from or are inconsistent with such policies, schedules, maps, figures, definitions, tables and associated text on a City-wide basis (or as approved in respect of other lands which are subject to the same policies, schedules, maps, figures, definitions, tables and associated text). However, this does not affect the City's right to assert that the approved policies, schedules, maps, figures, definitions, tables and associated text should be applied to the specific sites or areas without modification on the basis that doing so is consistent with the Act, provincial policies, conform to provincial plans and/or constitutes good planning.

AND THE BOARD FURTHER ORDERS that the pending appeals filed in respect of the Plan shall be determined through the hearing process or as otherwise consented to by the parties and approved by the Board.

AND THE BOARD FURTHER ORDERS that it may be spoken to in the event any matter or matters should arise in the connection with the implementation of this Order.
