

Individually Designated Heritage Properties In Vaughan (Alphabetical by street name)

Buildings or structures designated under Part IV of the Ontario Heritage Act. These properties are designated due to their significant cultural and heritage significance.

Each property has its own City of Vaughan By-law with specific information noting the reason for designation. This information is maintained by the Clerk's department.

Note: Some properties have several by-laws as they are also part of a Heritage Conservation District.

If you have questions, please contact CulturalHeritage@Vaughan.ca
