SUMMARY TO BY-LAW 044-2024

The lands subject to this By-law are located on the west side of Wallace Street, north of Regional Road 7 known municipally as 158 and 166 Wallace Street, in the City of Vaughan.

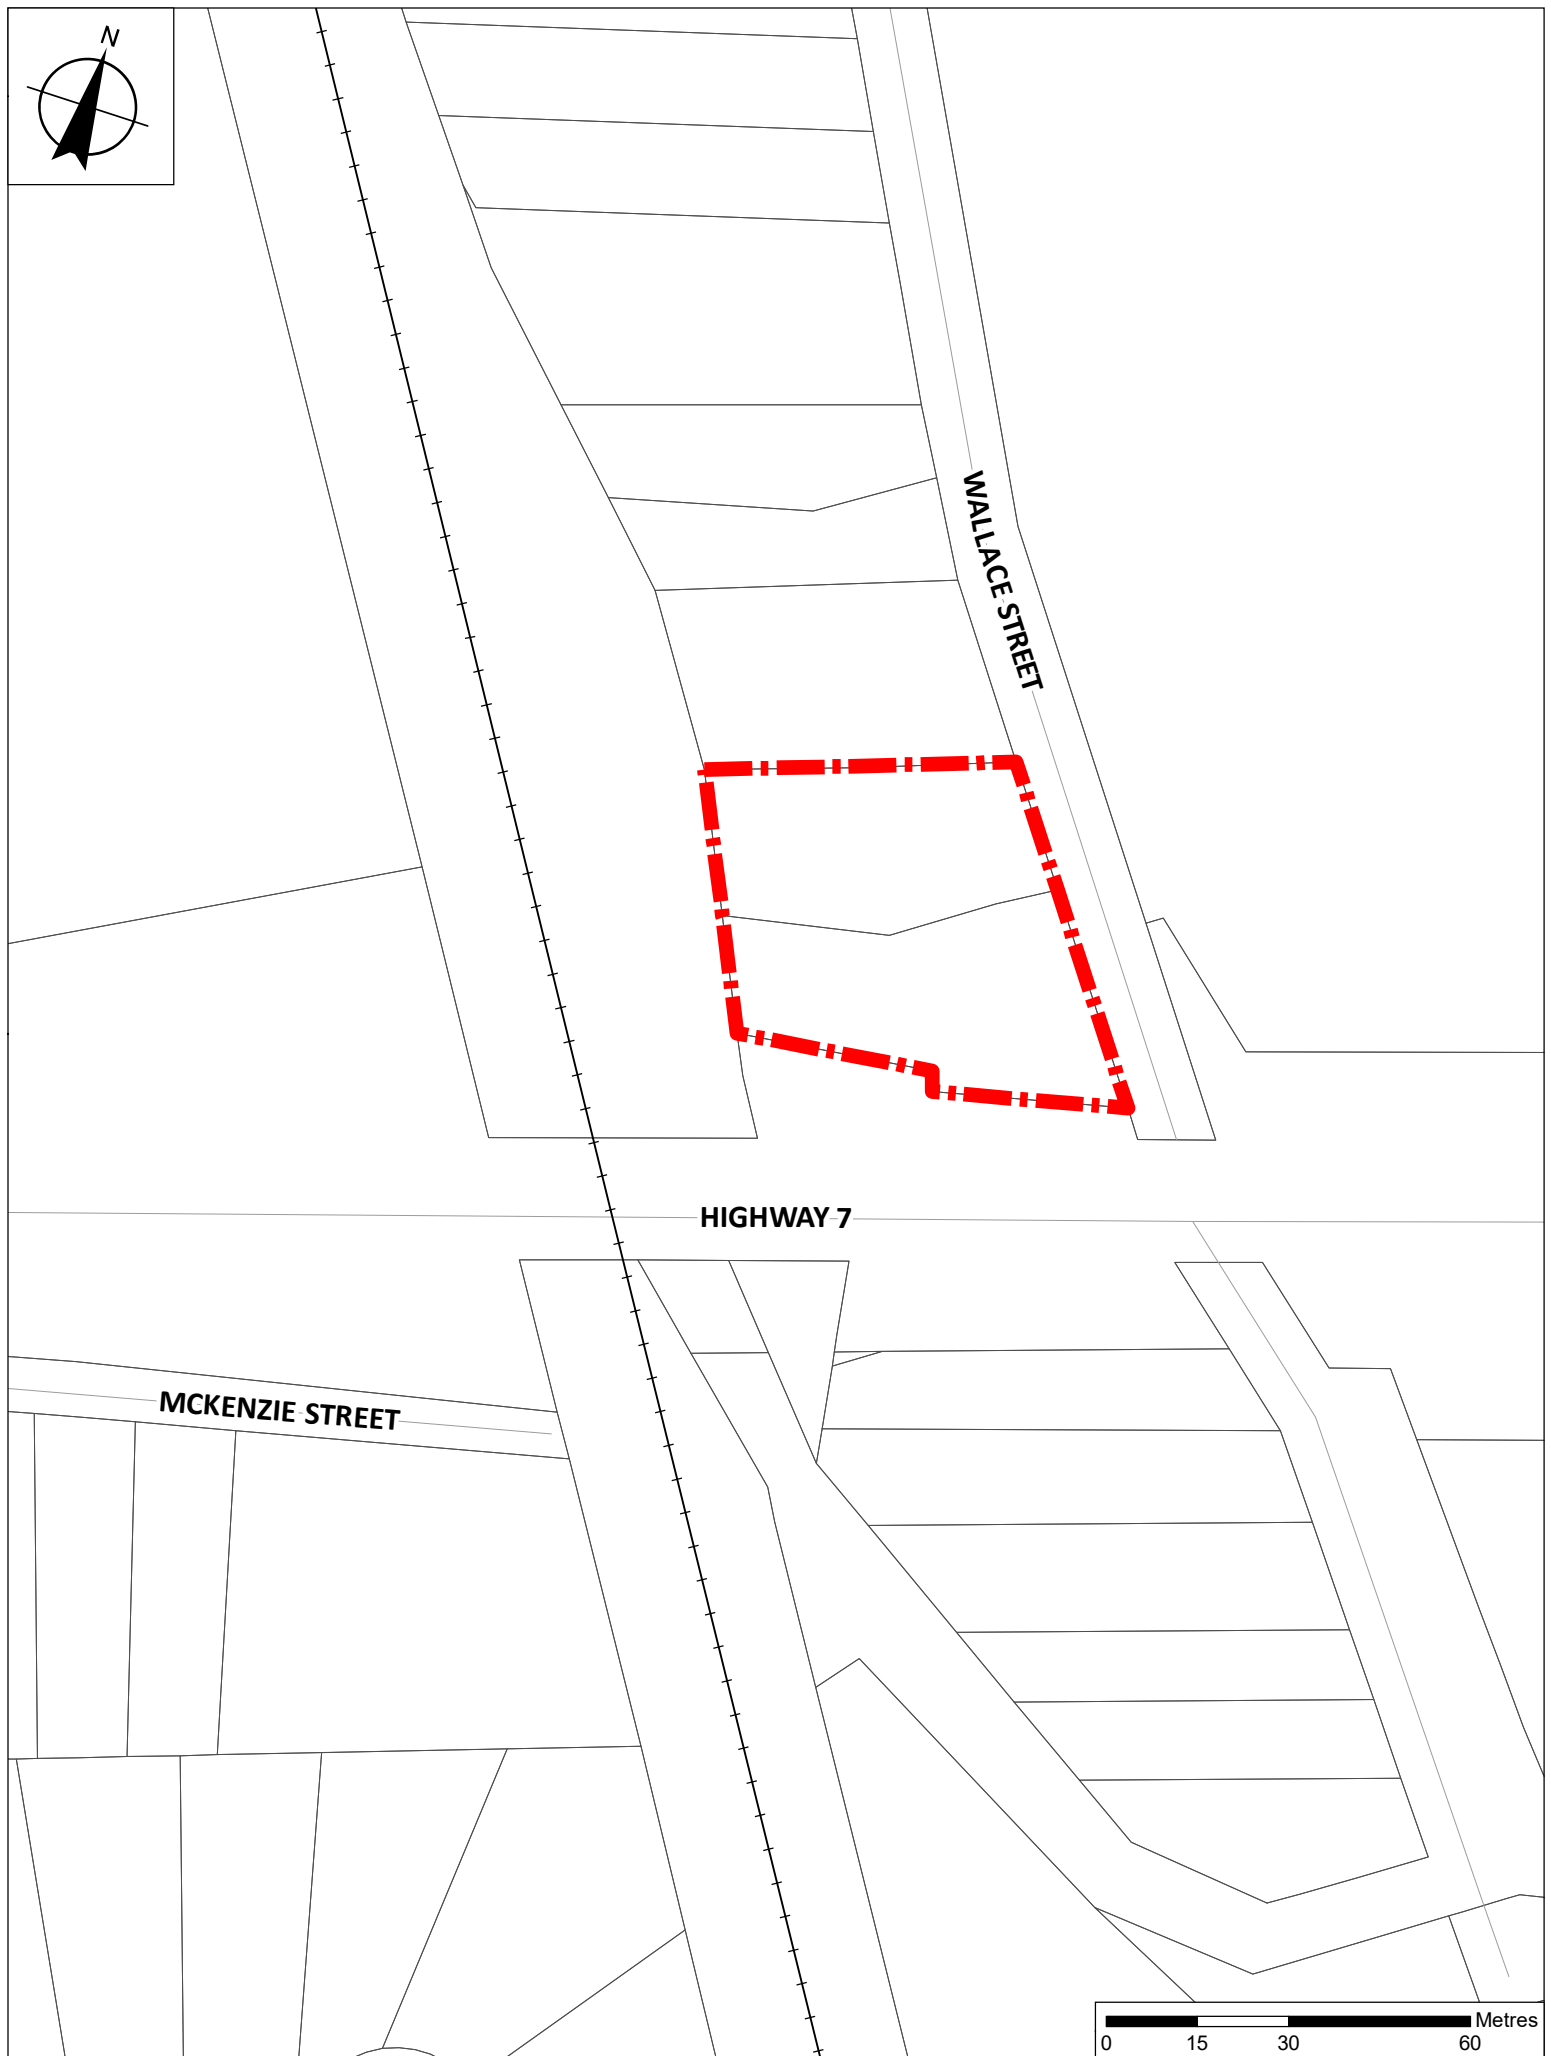

The purpose of this By-law is to carry forward Zoning By-law 1-88 site-specific development standards and mapping into Zoning By-law 001-2021 to accurately reflect the zoning applicable to the subject lands as approved by the Ontario Land Tribunal Order dated January 23, 2024 (By-law 043 -2024).

The By-law rezones the subject lands from “R3 Third Density Residential Zone” to “RT1(H) Townhouse Residential Zone with the Holding Symbol ‘(H)’” and “OS2 Private Open Space Zone”.

The By-law includes the Holding Symbol “(H)” for the “RT1 Townhouse Residential Zone”. These lands shall be used only for a use legally existing as of January 23, 2024. The removal of the Holding Symbol “(H)” is contingent upon the following conditions being satisfied:

- a. Vaughan Council adopting a resolution allocating sewage and water supply capacity in accordance with the City’s approved Servicing Capacity Distribution Policy assigning capacity to the subject lands.
- b. The Owner entering into a Subdivision Agreement with the City to satisfy all conditions, financial or otherwise, regarding such matters as the City may consider necessary, including payment of development levies, external road works, and municipal services, to the satisfaction of the City. The Subdivision Agreement shall be registered on title to the subject lands, at no cost to the City.

The By-law also provides for site-specific development standards including permitted uses, and exceptions to minimum yard setbacks, maximum building height permissions, maximum lot coverage permissions, minimum lot area requirements, minimum lot frontage requirements, minimum landscape area requirements, permitted encroachments, maximum driveway width permissions, and parking requirements.
