

# YONGE STREET STUDY

PREPARED BY:

Young + Wright / IBI Group Architects  
GHK International (Canada) Ltd.  
Dillon Consulting Ltd.

## BACKGROUND REPORT

*City of*  
**Vaughan**  
*The City Above Toronto*

City of Vaughan  
February 2010

## Acknowledgement

We would like to acknowledge the effort and commitment of the Technical Advisory Committee (TAC) and City of Vaughan staff whose contribution and dedication to this study was invaluable. Thank you to:

### TAC Members:

- YRRT
- City of Vaughan
- City of Toronto
- Town of Markham
- Town of Richmond
- TRCA
- Regional Municipality of York

### City of Vaughan:

- WARD 5 Councilor: Alan Shefman
- Director of Policy Planning: Diana Birchall
- Project Manager: Paul Robinson
- Project Coordinator: Clement Chong
- Traffic: Selma Hubjer
- Engineering: Mike Frieri
- Urban Design: Rob Bayley

### Study Team:

#### Young + Wright / IBI Group Architects

- Tom Emodi
- George Shillette
- Darlene Broderick
- Grace Gao
- Wenshuang Li
- Rebecca Dewdney

#### GHK International (Canada) Ltd.

- John Gladki
- Kelly Skeith

#### Dillon Consulting Ltd.

- Kevin Walters
- Lorenzo De Santis
- Mike Walters
- Brent Hooton

# Table of Contents

List of Figures .....	4
List of Tables.....	6
Executive Summary.....	7
<b>1.0 Study Background .....</b>	<b>10</b>
1.1 Purpose of the Study .....	10
<b>2.0 Policy Context .....</b>	<b>13</b>
2.1 Provincial Policy Statement.....	13
2.2 Places to Grow Provincial Growth Plan.....	13
2.3 Region of York Official Plan .....	13
2.4 Thornhill Vaughan Community Plan (OPA #210) .....	15
2.5 OPA #669 Thornhill/Yonge Street Study, 2006.....	19
2.6 Yonge-Steeles Corridor Study - Town of Markham.....	21
2.7 Town of Markham Official Plan.....	22
2.8 City of Toronto Official Plan .....	22
<b>3.0 Study Context: .....</b>	<b>24</b>
3.1 The Study Area and Surroundings .....	24
3.2 Existing Land Use.....	27
3.3 Existing Built Form.....	30
3.4 Existing Street Character & Hierarchy.....	33
3.5 Existing Parks and Open Space.....	50
3.6 Existing Community Services & Facilities.....	51
3.7 Existing Transportation & Transit.....	53
3.8 Existing Civil Infrastructure .....	64

---

<b>4.0 Summary of Public Consultation .....</b>	<b>83</b>
4.1 Summary of Background Information Public Open House .....	83
4.2 Summary of Strengths Weaknesses Opportunities Constraints (SWOT) Workshop .....	83
4.3 Summary of Design Charrette .....	86
4.3 Urban Design Framework.....	88
4.4 Precedents .....	91
Appendix A: Community Services Facilities: Vaughan Yonge Street Study Area .....	98
Appendix B: City of Vaughan Yonge Street Study - Open House, June 2008.....	99
Appendix C: Public Meeting, September 2008: Strengths, Weaknesses & Opportunities .....	100
Appendix D: Design Charrette, November 2008: Handout & Workbook .....	101
Appendix E: Open House, March 2009: Presentation.....	102

## List of Figures

### Section 1.0: Study Background

1. Yonge Street Study Area Map .....	10
2. Project Schedule .....	12

### Section 2.0: Policy Context

3. Places to Grow Provincial Growth Plan (Map 5) .....	16
4. Land Use Thornhill Vaughan Community Plan (OPA #210) South Study Area .....	17
5. Land Use Thornhill Vaughan Community Plan (OPA #210) North Study Area .....	18
6. Land Use Thornhill Vaughan Community Plan (OPA #669) Yonge Central Area .....	19

### Section 3.0: Study Context : Existing Conditions

7. South Study Area - Aerial Map .....	25
8. North Study Area - Aerial Map .....	25
9. South Study Area - Existing Conditions, 3D Aerial View from the South East .....	26
10. North Study Area - Existing Conditions, 3D Aerial View from the South East .....	27
11. South Study Area - Existing Land Use .....	29
12. North Study Area - Existing Land Use .....	29
13. South Study Area - Existing Building Height .....	31
14. North Study Area - Existing Building Height .....	31
15. South Study Area - Existing Lot Depth .....	32
16. North Study Area - Existing Lot Depth .....	32
17. South Study Area - Existing Conditions, 3D Aerial View (Palm Gate Boulevard to Hilda Avenue) .....	35
18. North Study Area - Existing Conditions, 3D Aerial View (Hilda Avenue to Yonge Street) .....	37
19. South Study Area - Existing Conditions, 3D Aerial View (Steeles Avenue to CN Railway) .....	39
20. North Study Area - Existing Conditions, 3D Aerial View (CN Railway to Arnold Avenue) .....	41
21. South Study Area - Existing Conditions, 3D Aerial View (Residential Area) .....	42
22. North Study Area - Existing Conditions, 3D Aerial View (South of Thornhill Avenue) .....	44
23. South Study Area - Existing Conditions, 3D Aerial View (Thornhill Avenue to Uplands Avenue) .....	46
24. North Study Area - Existing Conditions, 3D Aerial View (Uplands Avenue to hydro easement) .....	48
25. South Study Area - Existing Parks & Open Space .....	51
26. North Study Area - Existing Parks & Open Space .....	51

27. Existing Community Services & Facilities .....	53
28. South Study Area - Existing Street Network and Hierarchy .....	56
29. North Study Area - Existing Street Network and Hierarchy .....	56
30. South - Existing Intersection Traffic Volumes & Control Measures .....	57
31. North - Existing Intersection Traffic Volumes & Control Measures .....	57
32. Existing Yonge Street Hourly Traffic Distribution .....	58
33. Existing Transit Service Map .....	59
34. Existing & Proposed Transit Service .....	62
35. Existing Sanitary Sewer System - South .....	66
36. Existing Sanitary Sewer System - North .....	67
37. Storm Sewers Major Systems - South .....	71
38. Storm Sewers Major Systems - North .....	72
39. TRCA Flood Plan Map - Don River Sheet No. 19 .....	73
40. TRCA Flood Plan Map - Don River Sheet No. 20 .....	74
41. Existing Storm Water Sewer System - South .....	75
42. Existing Storm Water Sewer System - North .....	76
43. Existing Watermains System - North .....	77
44. Existing Watermains System - South .....	78

## Section 4.0 : Summary of Public Consultation

45. Precedents for Land Use .....	91
46. Precedents for Street Network and Built Form .....	92
47. Precedents for Transportation and Transit .....	93
48. Precedents for Gateway and Place Making .....	94
49. Precedents for Streetscape .....	95
50. Precedents for Open Space and Connections .....	96
51. Precedents for Sustainability .....	97

## List of Tables
